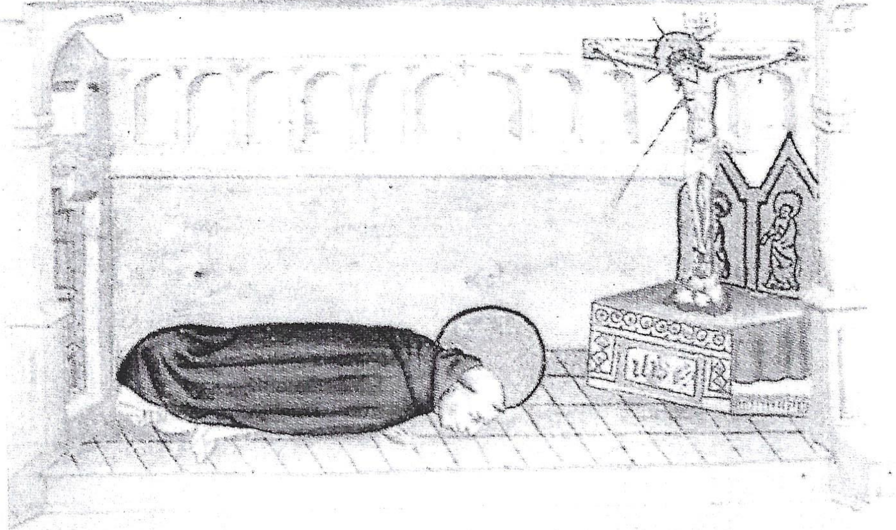
mea humiliat me. Volens autem aliquando docere fratres quam reverenter deberent orare dicebat eis: Magi illi devoti reges intrantes domum invenerunt puerum cum maria matre eius et procidentes adoraverunt eum. Certum est autem quod invenimus hominem deum cum maria ancilla eius. Venite adoremus et procidamus ante deum qui fecit nos. Iuvenes etiam orabat dicens: Si non potestis flere peccata vestra quia non habetis, sunt tamen multi peccatores ordinabiles ad misericordiam et caritatem propter quos prophete et apostoli gemuerunt, propter quos etiam Iesus videns eos flevit amare, similiter et sanctus david dicebat: Videbam prevaricantes et tabescebam.



Tertius modus orandi.

Inde autem cum predictis de terra surgens de terra ex cathena ferrea disciplinam dicens: Disciplina tua correxit me in finem. Unde totus ordo statuit quod omnes fratres in memoriam exempli sancti dominici venerantes diebus [illegible] post completorium cum virgulis ligneis super dorsa nuda disciplinas, sive pro culpis suis aliis sive pro aliis quorum elemosinis vivunt. Nemo ab hoc sancto exemplo illo quantumcumque innocens debet se subtrahere. Cuius exempli figura talis est.
